Hire prices

Sunday - Thursday = £80

Fridays and Saturdays = £120

Feel free to ask about availabilities! These hire fees are only payable **on the night of the event**. No need for advance deposits.

Gig itinerary - **Load in - 4.30pm - Soundcheck start - 5pm - Doors open - 7.30/8pm** (please no earlier than 7.30pm unless arranged 10 days in advance.)

- **Gig finish - 10.45pm** (gigs must finish strictly by then. **Load out by 11pm**. We have clubs that **MUST** start at **11.30pm**. Be cool. Be considerate. organise an efficient load out through the back door to be complete by **11pm**.)

PLEASE NOTE: If you are organising a gig with more than 3 acts please let us know in advance.

Also, please organise the equipment situation in advance of the gig. Make sure acts know what they have to bring and what they can share with other acts on the bill. We have a drum kit available for hire that is in top condition. Arrange this in advance. Cost is £30, which is less than any kit hire companies will charge.

Both Friday and Saturday dates are highly demanded in the venue, so if you wish to book one you will have to send us a full proposal of the gig including information on all acts and why you think it will be a good night. Please don't be offended if we turn it down.

The management reserve the right to cancel the gig at any time if we feel there is just cause for doing so. We will not tolerate anti-social behaviour or poorly organised events. By responding to this email you are confirming that you have read and understand these conditions.

Included in the deal is the following:

- Full use of the venue space.
- Full PA system (see technical spec)
- Our own in-house sound engineer
- Listings sent out to press such as The List, The Skinny etc...

We ask you to be responsible for: - Organising your own door-person to deal with people paying in to the gig. - **Organising FULL BACKLINE (amps, drum kits etc) for the bands to use.** We do not have amplifiers BUT...

- **Drum kit hire is available at £30. A standard rock kit. It is well maintained by our in house tech. Mistreating / breaking the kit will result in an additional fine to the sum of repairs.**

- Promoting the show: Making a facebook event (you can add us as a "co-host") , using instagram and twitter to help promote the gig. Link and hashtag the bands, the venue, the genres, anything that can aid the promotion of the event. Make sure the bands and their members do this also as it really makes a difference - and printing posters, flyers etc yourself. Please print your own A3 posters and put them up around the city. 100 Black and white A3 posters wont cost more than £10 and should result in a busier show (we suggest postering around 4 weeks before the gig). We require at least 8 posters for your event up in the bar / venue at least 4 weeks before your event. Failure to do this will cause stress and lower levels of awareness for your event. - Organising advance tickets, if necessary (Tickets Scotland and Brown Paper Tickets are good shouts). We don't sell from behind the bar.

The Venue - It is a STRICTLY over 18s venue. No one under 18 can play at or enter the venue. -

The capacity is 180 people. Keep an eye n the comfort of the crowd though as some customers are smaller/larger than others. - There is no allocated seating but there are tables and chairs available. - There is a bar serving drinks but you can also take down drinks from our upstairs bar.

Cancellation Policy

NO SHOW

Don't do this. There is no excuse not to show up or to duck out early to avoid responsibilities. A great philosopher once wrote : *"ASK NOT WHAT ROCK N ROLL CAN DO FOR YOU, BUT WHAT YOU CAN DO FOR ROCK N ROLL."* - Go forth and live it.

CANCELLATION WITHIN 2 WEEKS OF EVENT

Canceling a gig within 2 weeks of the event will result in a cancellation fee of the the organised hire fee. **YOU HAVE 7 DAYS FROM CANCELLATION TO PAY THIS FEE OR YOU RISK BARRING.**

LOAD-IN / OUT doors : Please note that the back doors are for loading in and out of ONLY. **Please do not loiter or smoke/drink at these doors and please do not leave them open.** There are police and thieves everywhere. Don't get yourself or us in trouble.

Also note...

If a promoter is seen to be operating a 'pay-to-play' system they will be banned from organising any future events in the venue. If your are unaware of 'pay-to-play' it is a system whereby bands are forced to sell tickets themselves to play a gig and obligated to hand over all or a percentage of this cash to the 'promoter' - essentially buying themselves onto a bill. At Nice N Sleazy we believe bands should be given a fair deal and SHOULD be paid for performing. If you have any questions on this feel free to ask us... if you are caught operating any system along these lines, you will be barred from the premises and details stored on a database for future reference.
